Dear Jason,

I hope that you have had time to recover from our exciting time in Nashville! On behalf of the Family, Career and Community Leaders of America National Staff and the participants in attendance at the National Leadership Meeting in Nashville, Tennessee, I would like to extend a special thank you for your role in making our National Leadership Meeting a success. It was a pleasure to have you as a youth session presenter and share information with our members. Our attendees were very excited about the information and we feel this will be a wonderful opportunity for them to take this information back to their home states and FCCLA local chapters.

We sincerely appreciate this opportunity to work together and provide this exciting opportunity to our FCCLA Chapters. With all of your hard work, support, and dedication to FCCLA, we have achieved many accomplishments this year that will lead to even further success.

Sincerely,
