Dear Jason;

Not only was your show fabulous, but it went off without a hitch. You are so creative and funny that we all were rolling in the isles. I need to practice some of your facial exercises because my jaw hurt from laughing so much. Keep it up.

The leadership at Mountain America Credit Union absolutely loved your performance and everyone had nothing but praise for your work. We would highly recommend you to anyone who wants to have a great show. Also, thanks for being so easy to work with. Enclosed please find an additional check as a bonus thank you for such a wonderful evening. A heartfelt thanks also goes to Jared and Wes for their help in making the evening perfect.

Sincerely,

David L. Poulson
Vice President
