Dear Enthused Audience:

Jason Hewlett recently performed for us at The Vollies, our Volunteer Appreciation Party. Jason's show was excellent for us! He has his characters down to a tee, and had our audience rolling with laughter.

Our volunteers give so much every day in the fight to end the devastating effects of MS. A lot of our volunteers are faced with the effects of MS themselves. We were so thrilled to be able to look around the room while Jason was on stage, and see how much fun everyone was having. His performance was an amazing gift to these people who are always giving of themselves.

One of our volunteers said, "Jason is a terrific entertainer, and has a strong ability to pull the audience in. Everyone loved him!"

I hope that you will consider Jason Hewlett when choosing the entertainment for your next event. You won't regret it!

Sincerely,

Tami Featherstone
