

Jason Hewlett, CSP, CPAE

Keynote Speaker Biography

Jason Hewlett's speaking career began following the performance of his popular One-Man Show at a corporate event. The client was so impressed with the powerful messaging Jason included in his act that he was asked to be the keynote speaker for their Management & Leadership Conference the following year. Jason's customized presentation and content, combined with music and comedy, was so well received it turned into multiple speeches for nationwide clients.

While Jason received awards in the arts and entertainment industry, he was hired for some of the largest corporate events in the world. His reputation began to transform to someone who delivered an incredible, standing ovation show worthy of Las Vegas praise, AND a keynote speaker sharing practical business principles applicable for leadership, entrepreneurship, and cultural impact.

Having delivered hundreds of corporate presentations for front-line motivation and management instruction, Jason's talks combine message, authenticity, humor, music, and impersonations. His talks feel like a show with a message, or a keynote speech with entertainment, while remaining a G-rated, family-friendly, corporate ready experience. Few performers can match the level of laughs, energy, and appropriate material for any audience. Jason Hewlett is constantly brought back again and again by his clients.

In addition, combining his ability as a seasoned speaker, entertainer, and behind-the-scenes event advisor, Jason has become one of America's top Master of Ceremonies/Emcees for the largest corporate and charity events. Whether a 3-day convention or an awards gala, Jason keeps the energy, laughs, and excitement going throughout, while allowing executives to take a back seat and enjoy the conference rather than stress about running it.

With over 2,000 presentations for Fortune 500 companies and clients such as American Express, Delta Airlines, the Salt Lake Olympics, Experian, NuSkin, Younique, Coca~Cola and Wells Fargo, Jason Hewlett is your go-to solution for a keynote, entertainment and emcee.
